India all set for vast changes in science education: Chavan (New Kerala)

Allahabad, Dec 13 : Union Minister of State for Science and Technology Prithviraj Chavan today said the country is all set to witness a sea change in science and engineering education.

Migrant workers awarded education grants (Malaysian Mirror)

KUALA LUMPUR - Western Union Company, a global payment service provider, today awarded education grants worth a total of RM100,000 to 100 migrant workers in Malaysia. The recipients of the Western Union Educational Grant Programme are from Bangladesh, India, Indonesia, Nepal, the Philippines and Vietnam. Western Union said in a statement today the programme, now in its second year, aimed to avail ...
